hey it's Christian and welcome back to my channel. I am making my vegan chocolate and cream pie. This is a very similar recipe to the one from the last video I made. where I made the vegan chocolate cake and I covered it with a coconut cream. I'm vegan because I don't support the consumption of animal products. I don't want to support the exploitation of animals. I want to support the plant world because we can grow things that are free from horrors like the animal agriculture industry. We can grow things that we can eat, we can eat many, many plant products that are produced in a sustainable way and that is what I support. I need to say this before I go too far because my video is very, very controversial, some people might not want to watch it because of that and that's okay, you can make the decision for yourself, but just bear in mind that when you watch it that you might not agree with everything that I say but just keep that in mind when you watch it and just try to hear me out. Okay, so I've made a vegan cream. And we're going to keep this simple, easy-peasy. This is a
